## **Bachelor Degree in Pharmacy (Ayurveda)**

### **B.Pharma (Ayurveda)**

Department of Ayurveda, Government of Himachal Pradesh is contemplating to convert its Model Ayurvedic Training institute at Paprola namely Government Post Graduate Ayurvedic College Paprola into a University. The new found status of the institute in its University form shall help it run various courses including Bachelor of Pharmacy in Ayurveda, Bachelor and Diploma courses in Nursing (Ayurveda) are main among them besides many diploma level courses related with Ayurveda. The present Project Proposal relates with detailed structure of Bachelor in Pharmacy (Ayurveda)

The course has to be planned in such a manner that personnel completing it should be capable of meeting different requirements of both manufacturing and consuming sector for Ayurvedic drugs. For manufacturing sector he should be in a position to take care of drug selection, standardization, quality control and manufacturing requirements. For consuming sector he should be a qualified person for drug dispensing and related activities.

Since they are expected to provide service of International standards. It is imperative that they should have sound knowledge of both Ayurvedic and modern drug manufacturing techniques.

The main aim of this course is neither to produce graduates who can be Ayurvedic physician nor experts for manufacturing allopathic drugs but to produce high quality technologists who have capacity of producing high quality Ayurvedic drugs by employing traditional, modern or upgraded or modified traditional techniques and also to control and maintain their quality.

## **OBJECT AND SCOPE: -**

To train specialized personnel

1. To identify, collect and process raw materials used in Ayurvedic drugs.
2. To equip with Medicinal properties of various raw drugs/material used in ASU drugs.
3. To make them skilled for the dispensing and manufacturing of quality ASU drugs.
4. To actively participate in manufacturing of Ayurvedic formulations.
5. To be conversant with modern drug manufacturing techniques.
6. To control and maintain the quality and standard of the ASU drugs.
7. To be conversant with modern drug presentation techniques
8. To be conversant with Drug and Cosmetic Act, good manufacturing practices and other regulations and laws associated with manufacturing, storage sale and quality control of Ayurvedic drugs.

## RESOURCE GENERATION

### 1. Fee and Funds

Various Fees to be deposited by the students annually shall be the major head of resource mobilization of the instruments. Following Fee structure is recommended to make the institution partially financially self-sufficient.

Fee Structure Per Annum Chargeable per student:

1. Tuition Fee --	15000/-
2. Practical Fee --	4000/-
3. Library fund --	500/-
4. Sports fund --	500/-
5. Medical fund --	500/-
6. Amalgamated fund --	500/-
7. Dilapidated fund --	500/-
8. Building fund --	500/-

Total: 22000/- per student per Year

If the number of students seeking admission per year is 30 then Fee generated resources year wise are as below:

1<sup>st</sup> Year ----- 6.60 Lakh

2<sup>nd</sup> Year-----13.20 Lakh

3<sup>rd</sup> Year----- 19.80 Lakh.

**4<sup>th</sup> Year----- 26.40 Lakh**

After every two years review of Fee structure can be done to make it justifiable in comparison of other Technical courses and Demand of B. Pharmacy (Ayu) Course.

The funds so generated will be utilized to meet out recurrent expenditure as well as other contingent requirements.

Hostel Fee Structure shall be same as is applicable for BAMS Course from time to time.

## **CONTRIBUTION OF STATE GOVERNMENT**

The Government Himachal Pradesh will contribute for establishment of Ayurvedic Pharmacist College at Paprola in shape of existing infrastructure (Hospitals, Labs, Land etc.) and man power at Government Ayurvedic College Campus at Paprola.

## **Other Components of B. Pharmacy College**

### **1. Medicinal Plant garden and Dravyaguna Museum.**

The proposed pharmacy college in Ayurveda shall require a medicinal plant garden of its own containing most of the important medicinal plants so as to facilitate the students to have first hand knowledge of their characteristic features which will help them in identifying the raw. However, since it will require provision for additional land and funds, in the initial stages the medicinal plant garden attached to the G.P.G. Ayurvedic College may be utilized for the purpose.

### **2. Pharmacy:**

Government Ayurvedic Pharmacy situated in Campus shall be utilized for Practical and Work experience of the students of B.Pharm (Ayu). Similarly the Ras Shastra Museum shall be utilized for giving practical demonstration of Pharmacy raw products concerning Ras-Shastra to students. Besides this the Drug Manufacturing Units of State namely Government Ayurvedic Pharmacy Joginder Nagar and Majra can also be affiliated with institution for Practical training and work experience of students. For Practical Training, students can also be sent to Private Ayurvedic Pharmacies located in Himachal Pradesh.

### 3. Quality Control Laboratory

For the purpose of training in quality control and drug testing the services of Government Drug Testing Laboratory at Joginder Nagar will be availed. However, in up-coming Laboratories of Government Ayurvedic Pharmacy, Paprola, the facilities of various Sections of quality control Lab are being established very soon.

### 3. Syllabus of Studies:

Till modified by its own Faculty and Board of Studies after their constitution the Course of Studies for B.Pharma (Ayu) shall be same as is adopted by similar course at Gujrat Ayurveda University at Jamnagar-Gujrat.

Subject: Opening of B. Pharmacy College in Himachal Pradesh.  
Sir,

I am directed to say that the State Government has decided to establish a B. Pharmacy (Ayurveda) College at Jogindernagar, Distt. Mandi Himachal Pradesh as an associated Institution of the RGGPG Ayurvedic College Paprola. The terms of reference to open the College under a society with industry participation will be as under:-

1. The B.Pharma College will secure AICTE recognition even though it will have special features oriented towards Ayurved and Herbal medicine and cosmetics. Any other mandatory approvals from regulatory authorities like Pharmacy Council, etc. as required will also be secured.
2. The institution will run a B.Pharma course with 30 seats. It should also run additional courses for degrees/diplomas to be given to diploma holders or graduates seeking additional qualification. It can explore the possibility of running other add-on courses such as P.G. Diploma in Herbal and Ayurveda Pharmaceuticals, condensed degree course for existing Ayurveda diploma holders and diploma on regulatory issues in herbal and Ayurveda pharmaceuticals. These courses can be of varying durations as per the course content of each of the courses.
3. The institution will be located at Jogindernagar where sufficient infrastructure and space is available.
4. The College will run in a society mode with corpus support from State (GOI's funds) and multiple industry partners. Income from investment of the corpus, revenues generated from fees, pharmacy and Herbal garden will be

used to run the institution. State Government support will be limited to corpus contribution only .

5. The Society general body will comprise the following:
- Director of Ayurveda Chairperson
  - Assistant Director/OSD Member
  - Incharge. DTL Member
  - Private partners making  
corpus contribution Member/s
  - Pharma Industry Association/s Member/s
  - Principal of College Member Secretary
6. The Executive Committee to run the day to day affairs of this College will comprise of:
- Principal of College Chairperson
  - Senior faculty member Member
  - Representatives of  
Industry partners Members
  - Office Manager/SAS Member Secretary
7. The available departmental infrastructure at Jogindernagar viz. Training College, Pharmacy and Herbal Garden will be attached with the college. The DTL will not be attached with this college. However, for practical and training purposes, visits/internship will be allowed to students on mutually agreed basis.
8. The admission and fees will be regulated as per the provisions contained in the Himachal Pradesh Private Medical Educational Institutions (Regulation of Admission and Fixation of fee) Act, 2006 (Act No. 16 of 2006)

It is therefore, requested to take further necessary action accordingly.

Yours faithfully,

  
Deputy Secretary (Ayurveda) to the  
Govt. of Himachal Pradesh.
